## CAPABILITY STATEMENT

### WHY TURNKEY

"We want to inspire and build legacies. At Turn Key our focus is to build for the future—something we can pass down to our families. We provide our clients with a one-stop-shop for their general contracting needs. Specializing in interior commercial & residential construction projects, our boutique firm has services ranging from pre-construction planning, through implementation to completion!"

### CORE COMPETENCIES

- Best customer service because we treat our employees like family.
- Work hard and support our clients see the possibilities in making their vision a reality.
- Clean, efficient, creative on time performance.
